

# Build em Brix

## Kids introduction to Build em Brix

For the growing need for mental stimulation and early development in maths and science, what better way than to introduce them to Build-em-Brix!

We provide an early training platform for boys and girls from 2 to 8 years old, where they will learn various skills ranging from basic colours, shapes and numbers to more advanced technical and architectural proficiencies.

Our trained instructors will provide life skills needed to become more socially interactive and confident.

Each 30 minute session will be held weekly ensuring we keep their attention span active.

These sessions will be held at the child's school, and will be on the same day and time throughout the year.

Lessons will not be refunded or made up if the child is absent or where lessons fall on a public holiday. If you would like to stop Build-em-Brix, please note that a one months' notice period is required.

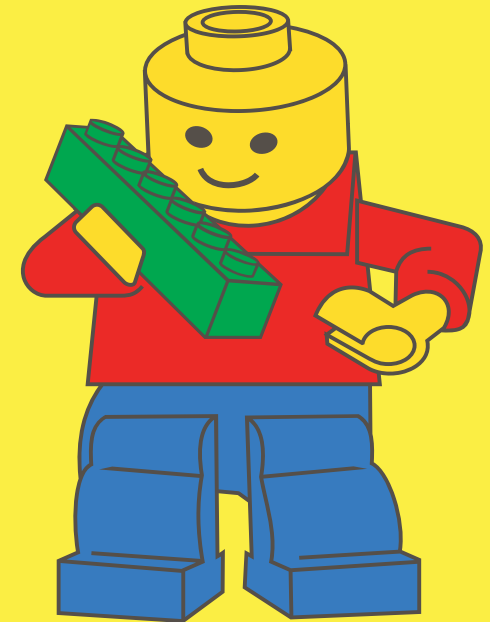

### LET'S BUILD !

# Endless amounts of Fun & Learning everyday !!!

# Build em Brix

**Boys & girls from 2 to 8 years**

**WE BUILD EM BRIGHT!**

Contact us for more information and pricing.

## SPECIALISED LESSONS

All our Build-em-Brix lessons are designed to the specific needs of each age group. From toddlers through to primary schools - different skills and concepts are developed to help your builder reach and exceed expectations.

## FEES

An annual registration fee is payable upon joining each year. This covers the admin fee, a Build-em-Brix t-shirt and our annual prize giving. Should you wish to enrol your budding builder, please complete the attached form and return to your child's school with payment. Fees are payable in advance by the 7th of each month/term.

## PRIZE GIVING

An open class will be held at the end of each year at which the builders will have the opportunity to show parents their growth as well as presentation of their achievement certificates and medals.

Parents are encouraged to attend.
